

WORSHIP LEADER

Andy Smith

Andy leads worship in many different settings: from his local church to conferences like Spring Harvest and New Wine.

He writes songs, born out of a heart for urban mission, from his long involvement with The Message Trust and the Eden project in Manchester.

His passion is to find space where we can be in God's presence together, valuing both the prophetic and intercession as part of our rhythm of worship.

Andy is married to the lovely Lucy, and has a daughter, Intimacy, who is super cute.

Adrian Warnock

Adrian is probably the UK's best known Christian blogger. He started his website, adrianwarnock.com, in April 2003 and since then has written over 3500 articles. Readers come from more than 200 nations and include many pastors.

He is a medical doctor, has trained as a psychiatrist and, following eight years of hospital practice, now works in research. He is also part of the leadership team of Jubilee Church, a growing multi-cultural church in London where he has preached regularly for more than ten years.

His book, *Raised With Christ — How The Resurrection Changes Everything* was published in January this year.

Adrian is married to Andrée and the father of five children.

Gareth Lloyd-Jones

Part of the Life in the Spirit team, Gareth has led Mottram Evangelical Church since 1999.

Over the last few years he has been involved in church planting, forging partnerships within the community, mentoring leaders and networking churches. He also works closely with the Message Trust and is currently part of the Eden Development Team with oversight for Eden partnerships in the North East of England.

Gareth is married to Tracey and has two children. A passionate blue (Manchester City), he is still pinching himself with their new found wealth!
