

# LIFE IN THE SPIRIT

Thirty years ago **Life in the Spirit** started with a handful of men seeking to be faithful to Scripture and open to the Spirit. Today we facilitate a growing conference of over two hundred church leaders from a wide variety of backgrounds. Increasingly **Life in the Spirit** is becoming a catalyst for those seeking to network both nationally and internationally with

others who are Reformed, Charismatic and committed to Christ's commission

**Life in the Spirit** Strengthening the Church and expanding the Kingdom by resourcing leaders and Churches through friendship, Biblical teaching and Holy Spirit encounter.

**Life in the Spirit** Reformed and evangelical in understanding, charismatic in experience.
